EDITORIAL

We've always wanted to reflect the whole world of porn here at Club, and this issue is the perfect example. We speak to Atlanta Moreno, just making her name as an adult star, and to Christina Shine, a legend now excelling in another area. We look at the Freaky Friday of bongo releases, and the hard and fast world of media reporting (Scruff Justice, p.42). We've got Euro babes, Brits and Americans too. If it's going on in porn and glamour, we're all over it. Enjoy the issue and give us your feedback as always!

Dear The Lounge,

My last girlfriend was a lovely girl but very straight-laced when it came to sex. You know the sort of thing; lights off, lie back and shag. I liked being with her and everything but our sex life was just boring and no matter what I suggested, she'd say she wasn't interested and accuse me of being a pervert. Anyway, we broke up and I missed her for a while – until I met Angela.

Angela turned out to be completely different in that here was a girl who was really into sex. In fact it was a little unnerving to be with someone who was so hot for it after so long with someone so cold.

"Come back to my place and you're gonna get it," Angela told me at the end of our first date and she even sucked my cock in the cab on the way back. I tried to stop her, whispering that the driver could see her but she just pulled my prick from between her lips and said, "Good". She then wanked me hard into her open mouth, looking the driver straight in the eyes via the rear view mirror and I couldn't help but fire a big glob of cream all over her tongue. Angela finished licking it all up just as we pulled up at her place and we climbed out and sent the poor driver off with a big tip. How we didn't crash on the way home is anyone's idea.

We got up to her flat and as soon as we had the door closed Angela went for me big time. I protested that I needed a little recovery time so Angela said she'd put on a little show for me to speed things along. We went though to her bedroom and she stripped off and lay on the bed. She had the cutest little body I'd ever seen and a beautifully smooth shaven cunt. She lay with her legs open towards me and danced her fingers all over her pussy before sliding them inside and fingering herself off in front of me. The room was filled with the smell of sex and pretty soon I began to rediscover my wood.

> **"I steered my cock in between her cheeks and my fat dick slipped into her hole with ease."**

Angela then plucked a vibrator out of her bedside drawer and fucked herself with it while telling me how much she wanted to feel my cock inside her.

"Or would you rather put it here?" she smiled and slipped the vibrator into her arsehole. I couldn't believe my eyes as she sunk the smooth missile deep into her bumhole, all the time looking at me and cooing with pleasure. This did it for me, I was hard again in a matter of seconds and jumping up onto the bed.

I took hold of the vibrator in her arse and fucked her with it for several strokes as she fondled my cock. It was such a turn-on watching her reactions as I pumped it into her at different speeds; I found

she like it best hard.

"Stick your cock in my arse," she told me, and turned over onto her front. I lay in between her legs and rested my cock in her groove. Angela ground back against my meat and moaned excitedly. "There's some baby oil in that drawer," she said, so I pulled out the bottle and poured some directly onto her arsehole. Angela yelped as the cold oil hit her ring but my fingers soon warmed it up as I mashed it into her tight hole and all up between her cheeks until she was lovely and slippery.

I steered my cock in between her cheeks and my fat dick slipped into her hole with ease. Angela loved the feeling of my shaft sliding into her behind and she cried out as she pushed back against me until she had my whole cock inside her.

"Oh fuck, yeah," she moaned and she slowly pumped back and forwards on my rock hard cock, milking me with her sphincter. "You like fucking me in the arse?" she asked me and I told her I did. "Good, because I fucking love it," she replied and started bashing back against me, taking as much as she could, as hard as she could and wailing out loud.

It was the dirtiest thing I'd ever known and her arsehole felt wonderfully tight. I held her bum-cheeks apart and ploughed my cock into her colon as deep as it could go, loving her tight warmth around my root. Angela relaxed as I thrust inside and clenched as I withdrew so that she was constantly pulling at my prick with her lovely little arsehole and this had me losing my load in next to no time. As soon as I felt my dick start to twitch I pulled out and splashed my sticky spunk all over her gaping arsehole. Angela stayed in that position and brought herself off with her fingers in front of me as my spunk dribble down over her pink cunt.

I never imagined sex could be this great and it's all thanks to Angela. I never realised what I was missing until I met her.

Derek, Bridlington.

It's been a couple of years since the naturally big-boobed glamour girl Stella, graced the pages of Club – and she's not entirely happy about it!

"I thought I'd done something wrong! I thought you didn't like me any more!"

Don't be daft, Stella. We just like to rotate ladies, keep it fresh, even though we always sell well with you in the mag.

"I'm not asking to be in it all the time, but I get a real kick out of seeing myself on the top shelf. It gets me all wet down below."

Oh, if you put it like that, and want to come and show us exactly how wet, then we can promise you coverage galore...

TOTAL RECALL

Dear Total Recall,
I've meant to write in for some time, but quite frankly I get so caught up in the magazine, that by the time I've finished with it there's a new issue out. But with a bit more time on my hands finely I get to put pen to paper over Dawn from 32.11. I first came across Dawn in another magazine and was totally hooked, and so was delighted to see her lioness typeface and heavy hood pussy starring back at me from an issue of Club. I couldn't believe my luck! Plus, I think I finally got to see a picture of her little puckered back hole, which provided the backdrop to many a wank over the years. I really hope you'll be able to feature Dawn in Total Recall.
David, Somerset.

Lacey

PHOTOS: BB MEDIA

What's not to absolutely fucking love about Lacey? British, brunette, big-boobed and as horny as a jackrabbit. After we finished shooting Lacey pulled out her favourite toy.

"As much as I like this toy, it's not a patch on the real thing," says Lacey. "It hasn't got a nice pair of jizz-filled balls swinging away at the end, for one. It doesn't taste as good, and I have to do all the work. It's a pretty poor substitute, but it'll do until I get the real thing."

It can't be too long until some real cock comes your way.

"It had better not be, I'm gagging for it!"

We repeat: What's not to love about Lacey?

TERMINATOR DARK FATE
WELCOME TO THE DAY AFTER JUDGEMENT DAY
PRODUCER JAMES CAMERON RETURNS
FROM TIM MILLER DIRECTOR OF DEADPOOL
TERMINATOR DARK FATE

Terminator: Dark Fate

DVD 9.99, Blue Ray 14.99

Sarah Connor (Linda Hamilton) changed the future. Still, apparently, that's not quite enough, and now fate's up for grabs too, as James Cameron returns with one of our favourite upgraded apocalyptic alien-bots. With a REV-9 Terminator on the loose you are going to expect, long and pacey action sequences, multiple explosions, and a lot of corpses along the way. Good news, Dark Fate delivers, as a REV-9 drops out of the sky on a mission from the future, to eliminate factory worker Dani Ramos (Natalia Reyes). Luckily Sarah Connor, who has been causally hunting Terminators between disasters and human soldier Grace (Mackenzie Davis) flock to the rescue. Of course, there had to be an appearance from the original man of action Arnold Schwarzenegger who reprises his role as T800 or Carl if you want to be casual about it.

This is really the sixth Terminator film, but unlike the previous sequels (discounting T2, one of the greatest squeals of all time), this latest instalment does actually feel like a Terminator movie, revved up on full power. The opening assault of the REV-9 is impressive and intense in its communication of there is no escape as this hybrid Terminator oozes menace. A fantastic addition to the Terminator family and well worth a watch if your fan of the early films.

Knives Out

DVD 9.99, Blue Ray 14.99

A modern-day gothic pile, in New England, sets the backlit furnace for this noir drama from writer-director Rian Johnson, that gives a heavy nod towards Agatha Christie, the ultimate crime-writer, in this sumptuously dark whodunit.

Crime-writer Harlan Thrombey (Christopher Plummer) has just celebrated his 85th birthday and topped off the party by his dramatic death. For all appearance and purpose it looks like suicide but could one of his draining family have done it. There certainly are a lot of axes to grind with this bunch, and interloping sleuth Benoit Blanc (Daniel Craig), complete with cigar intends to ruffle some feathers, or knives perhaps. Knives Out is sharp, witty, absorbing and utterly delicious, with an A-list cast worth their weight.

DVD 9.99 Blue Ray 14.99

A SAM MENDES FILM
1917
★★★★★ "UNMISSABLE"

Carrier pigeons are out of the running here, as a pivotal message has the heads of 1600 soldiers on the line, with an act of friendship and brotherly love setting a course of gruelling hope in the trenches. Sam Mendes cuts startling direction and writing alongside Krysty Wilson-Carins (Penny Dreadful), to bring us an epic, unblinking vision of the living hell of World War I. Lance Corporals Blake (Dean-Charles Chapman), and the hypnotic Schofield (George MacKay) have been perfectly cast, as they band together in fatalism, hope and the ravaging of innocence. The single-shot action sequences are immersive, but it's the low-key moments that pack the hardest punches. Captivating, enthralling, gut-wrenching and closed with emotion. Charged from beginning to end, I can see this is going to be an accolade collector.

Christina has certainly sailed into our view with her curved shape, blonde hair, peachy arse and cracking looking bikini body. But can she handle the ropes we asked?

"Of course, I have my sailing qualification, well, it's only the first level at the moment, but I'm building on it. My aim is to buy a really nice boat and take myself, and maybe a friend, off around the Mediterranean for an entire summer."

That certainly sounds like the thing dreams are made of, in our book.

"In my book, it's more of a reality, I deal with hard facts and bettering myself, so I can have the life I want."

A level head on gorgeous shoulders, pity we're not better seamen; full of it mind.

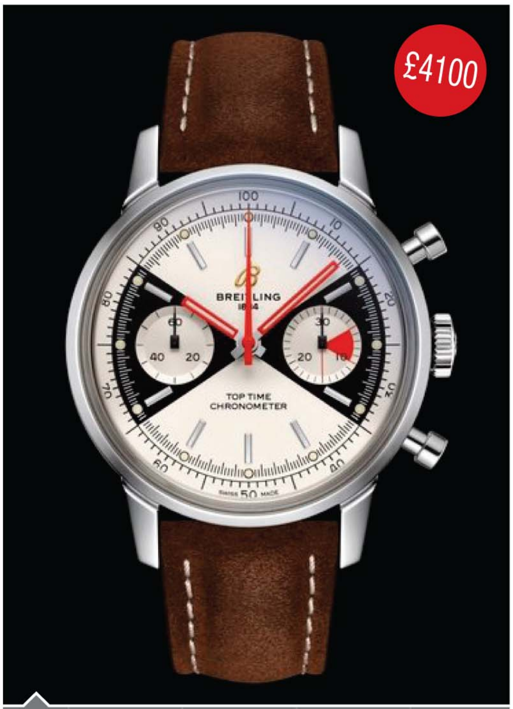
Attention all Android and Samsung users, these Galaxy Buds are getting the thumbs up from us, with there ease of connectivity, comfy snug fit (yes, you can run in them) and bassy sound. Plus, due to a recent update, there is now a hands-free Baby Bixby control, improved touch controls and the ambient feature is available now at all times. Some wireless buds worth investing in.

LEGO

Ducati Panigale V4 R

www.lego.co.uk

Us boys and our toys, eh…we can drive the ladies mad sometimes (my wife is poignantly looking, or glaring at me currently me; I prefer the former, she the latter). But that said, who wouldn't want a mini Ducati Panigale V4 R, that you can build yourself out of absorbing LEGO? Well, anyway it's a good way around not having to explain how a real one miraculously turned up in your garage. This is a 646-piece replica of the iconic Italian sports bike, with realistic suspension, steering and a working 2-speed gearbox and paddock stand. It measures 32cm long, 16cm high and 8cm wide, so it's not that small and comes with a 10+ age rating, looks like I just nip in with the mental capacity to build one.



Breitling Top Time

www.breitling.com

One of our favourite agents wore a Top Time in Dr No, so kudos to Connery for some serious style, as Breitling release's this limited edition Top Time with its affectionate bowtie face (Zorro dial). Its blend of style is unmistakable and seems to appeal to both sexes, though with a 41mm face it is rather on the large side for delicate wrists, perhaps a more compact 32mm might be an idea Breitling? As you're missing a market there, and men's watches never used to be that big anyway! Still "The Top Time comes in a 41 mm stainless-steel case paired with a brown nubuck strap and a stainless-steel pin buckle. It houses a COSC-certified Breitling Caliber B23 chronograph movement and is limited to 2000 pieces." Breitling.

Amarna

PHOTOS: IAN T

Super-cute Amarna wants to confess to a habit we have some sympathy with:

"I'm always playing with myself," she giggles, "it's almost like a compulsion. At home, at work, when I'm out. I'll even sit at the back of a bus, put my coat or a paper on my lap and play with my clit. I cum even harder when I do it in public, so close to other people who don't know that I'm creaming over my fingers."

Yes, we don't go quite so far ourselves, Amarna.

"I suppose that's easier for us girls. You'd get arrested, I just get to cum several times a day!"

We imagine the poor bus driver gets a bit distracted looking in his rearview mirror.

"I've had a few wink at me when I get off at my stop. Which adds an extra naughty feeling to it all."

WICKED FEATURE
CURSED
HE'S HEADED ON A GENDER BENDER

Starring: Alexa grace, Britney Amber, Whitney White, Ryan Mclane and Tyler Nixon

Synopsis: "Ryan lives a simple life of banging as many hot chicks as he can, until one night his world turns upside down. He has been cursed to switch sides and experience life on the other side of the coin as a hot chick. Will Ryan learn his lesson or stay a female for the rest of his life?" *Courtesy of Wicked*

Verdict: Many, many years ago there was a film called Watermelon Man in which a racist fellow wakes up one morning to find he's turned into a black man. Well, taking the same Metamorphosis theme here, we follow the fortunes of stud Ryan McClane, a serial shagger who beds and bins the ladies in his life, who suddenly finds he's woken up as a hot woman – Whitney Wright, in fact – complete with painted toenails! So how will he cope now that the shoe's on the other foot? A nice lot, which kicks off with Ryan still in bad boy mode having a corking bunk-up with Britney Amber, whose furry slot gets a good workout before she gets an untimely brush-off that causes her to put a curse on him. And Brit's back in next scene, getting another length and culminating in another load dropped on her muff. It seems Ryan/Whitney has to make amends, and s/he sets about it straight away by getting it in with Alexa in a nice lesbo scene that sees them scissoring to some kind of conclusion. Alexa's back for a restroom shafting next before the story wraps up with Ryan fucking, er, herself! Well, it's a bit confusing, but the action's grand, even if our hero doesn't end up learning any lessons from his experience.

PRIVATE

HCTV
Blue Angel

TV REPORTER
4K

Starring: Sienna Day, Loren Minardi, Blue Angel, Victoria Summers, Carmel Andersson.

Synopsis: "In Private's TV Reporter Sienna Day is an up-and-cumming political journalist who will do anything it takes to break the story… and we mean anything! Whether it takes hardcore anal or some girl on girl action, Sienna Day will be the one who reveals the scandal. But, she is not alone, this ambitious and cock driven beauty is joined by the experienced British babe Victoria Summers, Carmel Andersson and the debutantes Loren Minardi and Blue Angel. Corruption is just the start of these twisted scandals, perversion and deviance lie at the heart of every story... Just make sure you tune in to watch them unfold!" *Courtesy of Private*

Verdict: Hmm, to be honest that's not the most arousing title for a bongo flick I've ever come across – are Private going to launch a series of titles that are just job descriptions, I wonder? Shoe Shop Assistant? Quantity Surveyor? Lab Technician? Anyway, I'm going to give this one the benefit of the doubt because it features some top British sploshers, with Sienna Day as the eponymous reporter (umm, she's really a presenter) who, in the hunt for a promotion gets particularly chummy with her boss. A nice nosh leads to some cowgirl and then a reverse cowgirl anal pounding for the ambitious bint before she's sent on her way with a faceful of harry. Not content with his morning's work, boss Frankie then turns up across town, where he ends up double-tagging raven-haired Lauren. The wanton hussy gets all her holes plundered (often at the same time) before they're done with her in what has to be the film's strongest scene. Still, Blue, Victoria and Carmel keep their ends up well enough too, and in the ultimate happy finish, Sienna gets the job!

Atlanta doesn't look very lost from where we're sitting, in fact, quite the opposite, she looks to be found, and rather in her element, if truth be told.

"I love being in front of the camera, it makes me so wet thinking about all the guys who are going to look at me flashing my pussy for the lens."And then sighing she added, "All that creamy hot seed, splashing out. I wish it was firing all over my tits."

My dear girl, if that was the case, you'd be drowning in jizz!

Idelsy

PHOTOS: TWISTYS

So, Idelsy, is that very close shave a waxing or some very skilled razor and mirror work?

"A razor," she reveals, "but I didn't wield it! I'm far too clumsy to shave my own pussy, so I always have some help."

Male or female?

"I've had men do it before, but it was a girlfriend of mine this time."

You must be pretty close.

"Well, you'd have to like someone to trust them with this job – and a close-up view of your pussy. The best thing is that once someone's finished shaving your pussy, they can't wait to lick it for ages and ages. I get longer, better head after a shaving session. Right after this particular shave, I came about 6 times!"

A NIGHT AT THE THEATRE

My name is Craig, and I'm a 25-year-old mechanic. I've been going out with Emma for about six months, and I have to tell you the sex is fantastic. Nineteen, with long dark hair, lovely pert little tits and a gorgeous firm round arse, she's up for anything, particularly if it involves an element of risk.

Back in July, when the weather was hot and sticky, I treated her to tickets to see her favourite male singer, paying for a box all to ourselves because I knew she'd never been in one before. To make it an extra special treat, I'd ordered strawberries and champagne too, even though it nearly broke me. As it turned out, though, it was worth every penny.

Emma had taken a tiny battery-operated fan to keep herself cool but still complained of the heat in the packed theatre. I could see she was uncomfortable by the way she kept pulling her damp top away from her tits. Not the slightest bit interested in the act, I found I couldn't take my eyes off Emma as she sat, enthralled by the bloke's singing. It wasn't long before I was feeling pretty horny and fidgeting in my seat to relieve the discomfort in my crotch. Emma kept throwing me daggers and telling me to keep still but the angrier she got, the hotter and stickier she got and hornier I became. In the end, I just had to do something, other than disappearing to the bog for a wank.

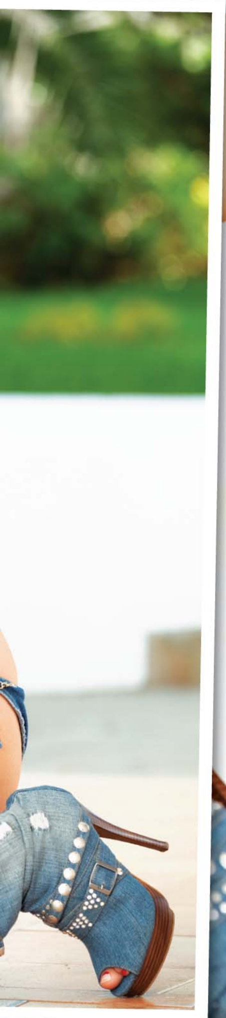
Spying the champagne bottle on the side table, I slowly slid down in my seat until I was kneeling on the floor and, once there, made my way over to Emma's seat and crawled between her legs, parting her long, tanned limbs to make room for my head. Incredulous, Emma tried to get me to behave, but once she realised what I was up to she grinned and glued her face to the stage while I eased her thong to one side and started fondling her pussy. I was a bit pissed off to find her twat already dripping, though, and wondered what the fuck the guy on stage had that I didn't. Determined to make her crazy for me instead of him, I bent my head and flicked my tongue over her hard little clit before dipping it into her moist slot and lapping at the juices flowing out.

> "Slurping noisily as she sucked my dick and fondled my heavy balls..."

Lifting her legs and planting her feet on the wood panel, she spread herself wide for me, and I knew then she was more interested in what I was doing than what was happening on stage. Reaching for the bottle of champagne, I tipped it so that the wine dribbled all over her snatch, effectively cooling Emma off good style. She gasped at the coldness of it before throwing her head back and murmuring her approval. Even in the dimness of the box, I could see her dark pubes glistening with the wine as it trickled down between her puffy cunt lips and down over her arse cheeks. Using the pads of my fingers, I massaged the sticky mess all over her twat and then got down to work.

Using the flat of my tongue, I teased Emma's gash, licking up and down the soft, juicy slit and probing between her sticky cunt lips. At the same time, keeping her vulva spread with finger and thumb, I used my other hand to get my cock out. Then, flattening my palm and sticking a couple of fingers straight up her hole, I coated my hand in her cunt cream and wiped the lot over my dick to lubricate it. With my sticky fist, I wanked my cock while stabbing Emma's twat with my tongue.

Watching me from under heavy lids, she urged me on, her panting becoming louder as I reached for more champagne and drenched



her red hot snatch in cooling fizz. Emma had her first climax of the night when I sucked all the wine from her fanny. Bucking and shuddering all over the place, she gasped a couple of times before trapping my head between her thighs and forced me to drink till she'd finished coming. Even before the tremors had stopped racking her body, she was easing her feet back down to the carpet and telling me to swap places.

I didn't have to be Einstein to work out what she was going to do so I leaned back in the seat and spread my legs while Emma undid my trousers so that she could get at my balls. The second her hot, wet tongue touched my dick I knew I wasn't going to last long, so I pushed her head into my hairy crotch and shoved my dick down her throat. Emma loves giving head so much that she doesn't even gag when a big, fat cock slides down her neck, in fact, she welcomes it. Slurping noisily as she sucked my dick and fondled my heavy balls, she gave me a thorough going over, flicking her tongue up and down my shaft before feeding my dick back between her glistening lips again. Firming her lips, she gripped my cock, keeping it nice and moist with saliva as I fucked her face. Then, reaching for the miniature fan, she rammed it up her hole and fucked her cunt with it, masturbating like crazy as she took my cock right down her greedy throat.

Within seconds I could feel myself starting to come, and Emma, sensing I was getting close, increased her efforts, keeping her mouth glued to my cock so that she could take everything I had. Biting my lip to stop me grunting out loud, I shot the lot down her throat, filling her mouth with spurt after spurt of jizz. There was so much of the stuff that she couldn't swallow it

> **“I could see she still wanted more, so I eased another finger up her bum- hole.”**

fast enough and loads leaked from between her lips and dribbled down her chin. Quickly whipping the fan out of her pussy she dribbled my sperm all over it before shoving it back up her hole and fucking herself with it. Another climax tore through her body as she knelt at my feet with the fan jammed in her slot.

Emma keeps asking when we can go to the theatre again, but I keep putting her off until I’ve saved a few bob for the extras.

Craig, Sittingbourne.

WHILE THE CAT’S AWAY…

My boyfriend Chris always buys your magazine, and while I do like the pictures, I have to say it’s the stories that I really enjoy. I’ve just finished reading one, and it’s inspired me to pluck up the courage and write to tell you about what happened to me only three or four weeks ago.

Chris had been away with work for a good few weeks, and I was starting to get quite frustrated at the lack of sex in my life. I called one of my old friends and arranged to meet her in our local club. Tania is the same age as me, 23, and we still hung out from time to time, though I hadn’t seen her in a good few months. But when we were younger, we were an awful lot more than just friends.

The minute I walked into the club and caught sight of Tania, I remembered exactly why we’d had something going when we were younger. And I definitely got the impression from her body language that she still fancied me. She kissed me straight on the lips like girlfriends do, but just lingered that little bit longer than normal. Then she hugged me close; again a bit longer than you might expect. She looked fantastic, all in black with her long hair framing her face. But the thing that amazed me most about her wasn’t her curvy shape or huge heavenly breasts, though obviously both of those things excited me. It was her eyes, which were a fabulous bright blue. You could even tell how incredible they were in the gloom of the club.

We danced for a bit, and pretty quickly found ourselves getting closer and closer together. Without drawing too much attention to ourselves, we kept stroking each other’s bodies and grinding against each other’s legs. The two of us were getting so hot and horny, it was unbelievable. We decided we needed to sit down to try and cool down, but to be honest, it was pointless. The second we sat down next to each other we went crazy. It was as if we’d forgotten about anyone else being in the club with us. Tania grabbed me so close to her that our breasts were rubbing against each other. She kissed me so passionately I thought I was going to come right there and then. I let my fingers trace the outline of her bra over her erect nipples and then let them fall to her groin. I ground my hand into her pussy, and through her clothes, I could feel her getting wet. That was it. Once that happened, I knew I had to taste her.

We grabbed our coats and jumped into a taxi to my house. By the time we got there we were both absolutely gagging for it - and absolutely sopping wet! The very second the door was open Tania was inside and ripping her clothes off. She positioned herself on the lounge floor, legs wide open, and asked me if I would lick her clit and her hole. The pleasure was all mine. My tongue lapped at her clit while my fingers explored her hole. I could see she still wanted more, so I eased another finger up her bum- hole. That seemed to do the trick, and my tongue could barely keep up with her writhing in ecstasy.

It was such an amazing sight from down there. Not only could I see, smell and taste her pussy, but I could see her beautiful shape, with her wonderful breasts gently moving as she writhed against me. I could come right now just thinking about that fantastic sight! With my fingers and tongue in all sorts of places, it didn’t take long for Tania to come, which only made me even hornier. The minute she’d come, Tania, grabbed my hair, pulled me up to her face and kissed me full on the lips so that she could taste herself. Tania looked so goddamn fit, coated in sweat, with her post-orgasm glow and her pussy coated in her juice and my saliva.

After all of Tania’s pleasure, it was finally my turn. Tania ordered me to get on all fours with my legs slightly open. She stroked me all over for a while, then began to focus on my already soaking wet hole. She kneeled down behind me and enjoyed the view as she pummelled her fingers in and out of me. I was screaming with pleasure while watching the reflection of my swinging tits in the patio doors. She squeezed one finger up my bum, then suddenly stopped and said: "Why don't we go to your bedroom?" "OK," I replied, even though I was so orgasmic that I was more than content where we were.

"OK, where do you keep it these days?" she demanded. "You know… the strap-on." Tania had remembered it from our teenage years together. I knew exactly where it was – I'd been using it enough of late – so got it out and she put it on. I lubed it up by giving the imitation cock head in a 69 position. It became quite apparent, though, that Tania was determined to get that strap-on up my arse. I got into position, and soon she was giving it to me better than I'd received in ages. It felt so tight, so hard, it was amazing! Tania reached over, grabbed a handful of my breasts and rode me to heaven. All in all, it was one hell of a night. Obviously, I haven't told Chris about what happened, and although I miss my boyfriend, I'm still glad that Tania and I got the chance to finish off what we started all those years ago.

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

INDIAN BUMMER

When I have a new girlfriend, I'm always looking for an opportunity to bring up the subject of anal. You never quite know what their reaction will be. A few years back, I was going out with a girl called Samantha. She was nice and slim, but curvy in the right places. She was 21-years-old and of mixed race, father Asian, mother White. The result was a very tanned, attractive girl who had the most gorgeous brown nipples on her pert little tits. When you got her knickers off for the first time, though, the feature that really caught your eye was her protruding brown labia. Jesus, just thinking of it now makes me want to kiss and suck that gorgeous quim.

She was a very open-minded girl for her age, open to any sexual suggestion I made, and she always wanted sex whenever I suggested it. Never any shit about "not in the mood" or "too tired". Whether it was sex in public, group sex or shooting my come all over her face and hair, she never batted an eyelid. It was only a matter of time until I broached the subject of anal with her.

One night we came back to mine after clubbing. We were both a bit pissed. I asked Samantha if she'd like to try anal and, no surprise, she said "OK!" Because I was pissed and a bit excited at the prospect of sticking my cock up that tight Asian arse, I wasn't thinking straight. Let what happened next should be a word of warning for all you guys trying to persuade your bird to take it up the Gary Glitter. I went straight in with only my spit for lube. She shrieked with pain and insisted that I stop. I withdrew immediately and was heartbroken when she said: "Never again."

That all changed on the night of her 22nd birthday, though, as a surprise I had arranged for a lot of our mates to meet at the pub to celebrate, and we had a great night.

As we walked home from the pub, she was pissed, horny and in a very good mood. She'd really appreciated the surprise party and wanted to do something for me. "Anything?" I asked. "Yes anything," she confirmed. Of course, I asked for another shot at her tradesman's entrance, promising to be gentle this time and use plenty of lube. She smiled and said she would try it again, but if she didn't like it, there would never be a next time.

When we got home, I quickly pulled her figure-hugging black dress off and looked at her, standing in the bedroom in her black bra and knickers. I told her to lie face down on the bed as I stripped and looked for the KY.

I kneeled with my legs straddling hers, then pulled her black panties down to give me a fantastic view of those brown lips and her lovely arsehole. I pulled her cheeks apart and applied the KY along the length of her bum crack. I began playing with her pussy with one hand, stroking her labia and gently massaging the lube into her tight sphincter with one finger of the other hand. Then I slipped a second finger in until both were halfway there. She seemed to like the gentle approach and gave a little giggle. "That's nice," she said. I started massaging loads of the jelly onto my own cock until it felt like I was grabbing a slippery eel.

> **"I knew I wouldn't last too long,' cos her tight arse grabbed my pole like a vice."**

She asked me to put some jelly on her own right hand and began playing with her own clit. "Here goes," I thought and pulled her up onto her knees. I softly began to push my wooden cock at her sphincter. I slid the helmet in without resistance and let it stay there for a moment or two. "That feels good," she said. Then I slowly inched my dick until it was halfway in. She was giggling away like a schoolgirl, so I started to thrust in and out in regular strokes, going faster and deeper all the time.

This felt fucking amazing, and she was starting to scream loudly. I knew I wouldn't last too long,' cos her tight arse grabbed my pole like a vice. Trying to hold back from coming too soon, I stopped thrusting. This was pointless, however, as she began to push her whole body backwards and forwards, impaling herself on my tool. She kept getting faster and began to scream "Oh fuck, I'm coming. I'm coming."

I couldn't hold on any more, and it was one

of the best sights ever to see her bucking on my cock as I shot a load of come up her amazing arse. I swear I was screaming, the orgasm was so intense. I pulled out to shoot the last bit of my jism on her hoop-like arsehole, which had been thoroughly expanded by my cock. Bingo. It was a perfect shot, and felt absolutely amazing.

Believe me, after that night anal was never a problem any more.

Richard, Bedford

FIRST AND ARSED

I thought I would write to tell you the story of my first ass fuck. My girlfriend Janine had always been against anal sex, but that all changed one night – and now she can't get enough of it.

I came home from work this particular evening and opened the front door to find Janine in the hallway wearing just a red bra and a thong. Before I could get my coat off she moved towards me, felt for my cock through my jeans and kissed me really hard on the mouth. As I tried to touch her she

smacked my hands away and told me to just enjoy it. It wasn't long before my cock started to stiffen in my trousers. She knelt down in front of me, undid my flies and eased my hard prick from my boxers and kissed it gently on the head. Soon she was licking at it like a lollipop and I was quickly covered in her saliva. Then she moved forward, took me slowly and gently in her mouth, and started to move up and down my now rock hard cock. One of her hands started rubbing my balls and the other grabbed my arse and started me thrusting in and out of her mouth.

All of a sudden she started playing with my arsehole. She'd never done this before and what a turn-on it was! I undid my jeans, removed her mouth for a second and pushed down my jeans and boxers. When she started to lick me again she took my balls in her mouth and one of her hands started wanking me into her mouth. All of a sudden she moved and started to lick my sensitive ring. I felt her tongue pushing into me. It was soon followed by her finger and I started to moan. This was too good to be true and before long I came into her mouth.

She held me there for a while and slowly let my spunk dribble from the corners of her mouth. I wasn't going to let it finish there, though, so I quickly tore at the rest of my clothes until I was naked. I led her into the lounge and slowly eased her tits from her bra and started to suck and kiss her hard nipples. My hand went to the front of her thong and I rubbed hard at her pussy. She was so wet it was untrue. I had to have a taste of all the juices that were spread over the top of her gorgeous thighs.

I moved lower and licked along her thighs until I had to pull the thong to one side and finally thrust my tongue deep into her wet, warm fanny. God, she tasted good. She pulled her knees up to her chest so I could get in as far as possible. I pushed first one, then two fingers into her and licked her clit for all I was worth. Soon I had four fingers in her as deep as they would go. As she orgasmed, I started to lick her pink puckered ring the same as she'd done to me.

Between quick panting breaths, she told me it was one of the most intense orgasms she'd ever had. I told her there was more to come and started to smear her juices over her ring, then slowly eased one of my well-lubricated fingers into her previously forbidden hole. She did nothing to stop me, so I went that bit further and soon I had two fingers going slowly in and out of her bum as far as they would go. Suddenly she moved away from me. I thought I'd gone too far, but was surprised when she turned over, thrust her bum in the air and told me to carry on. I moved behind her and pushed my now aching cock into her well-lubed fanny as far as it would go. With my fingers still working her arse she orgasmed again. Then she looked over her shoulder at me and told me to fuck her bum – gently. This was something I'd always wanted to do. Now was my chance. I removed my cock from her wet and warm fanny, raised myself up and slowly eased it into her welcoming bum. As I pushed, she relaxed, and soon I was in her forbidden hole. With my cock well lubricated by her juices, I was soon thrusting hard into her, my balls slapping against her wet fanny lips. We were both moaning in ecstasy, and as we both came together, I jetted my spunk deep into her bum. It felt perfect for both of us, and now we regularly have some serious anal sex. If you haven't tried it, you really should.

Tony, Wolverhampton

Budapest babe Marie thinks her home nation of Hungary doesn't get the respect it deserves when it comes to porn stars.

"Everyone goes wild and gives all the awards to American girls, and the British do okay as well, but what about us?"

Okay...

"There's me, Aletta Ocean, Simony, Sandra Shine and legends like Rita Faltoyano, Nikki Blond, Monique Covet and Anita Dark. I reckon we'd have a pretty good chance of gold at the porn Olympics."

We think you're right, and we think your idea of a porn Olympics is sheer genius. It's about time Hungary started punching its weight at the major games. Lead the way, Marie...

What our well-placed moles are telling us this month...

DOWN THE WIRE

HOT COP!

Just grab the knob and drive!

Apparently, sheep are no longer good enough for the Welsh as 24-year-old Daniel Cooper attempted to demonstrate by stripping off and grinding himself against a 4x4 Land Rover. The self-proclaimed 'Hotcock' Cooper, was convicted of indecent exposure and has been banned from going outside between 7 p.m. and 7 a.m. on Fridays, Saturdays and Sundays for three months. Unfortunately, the Land Rover was unavailable for comment.

HEALTHY DOSE!

Debating the rights of gun owners often becomes a heated discussion, but popping caps in the middle of a meeting probably won't help your cause. Police in Wilkesboro, N.C., are currently searching for a suspect who discharged a handgun during a Tuesday night discussion, addressing 2nd Amendment rights held at the local vitamin store.

The unknown male is thought to have accidentally fired his weapon into the store's printer and then fled the scene. Reportedly he told a store employee, "he could not go down for this". No individuals were harmed, unfortunately, though the printer inked out.

FLEXIBLE FIEND!

Dallas News recently reported that Ogiesoba City Osula, who was arrested in 2011 in a Cincinnati Suburb after being caught with $300,000 in cash, debit cards and money orders, attempted to chomp his way through the evidence while awaiting questioning. Unluckily for him, his appetite wasn't up for the job as he only managed to eat one of the incriminating debit cards. Osula was convicted of 16 counts of fraud in a relatively painless process, which is more than can be said for trying to pass that debit card.
